RULING ON ENTITLEMENT¹

On September 30, 2019, Brian Davis filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of a tetanus-diphtheria-acellular pertussis (“Tdap”) vaccination that he received on July 27, 2018. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On December 16, 2020, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Specifically, Respondent states that he “has concluded that [P]etitioner’s

¹ Because this unpublished ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

alleged injury is consistent with SIRVA of the left arm and that it meets the requirements of a Table injury claim for SIRVA stemming from the Tdap vaccination on July 27, 2018.” *Id.* at 4. Respondent further agrees that Petitioner “suffered the sequela of this injury for more than six months.” *Id.*

In view of Respondent’s position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
